ABOUT JYOTI NIVAS COLLEGE

Jyoti Nivas College founded by the sisters of St. Joseph's of Tarbes in 1966, has been affiliated to Bangalore University, reaccredited by NAAC with 'A+' grade in the 4th cycle in 2021, and recognized as College of Excellence by UGC. The Department of Computer Science aims to provide high-quality education and shape the students according to the industrial requirements.

BUILDING A SUSTAINABLE FUTURE WITH GREEN SOFTWARE

"Building a Sustainable Future with Green Software involves harnessing technology to minimize environmental impact, promoting eco-friendly practices in software development for a more sustainable and responsible digital era."

Software and its associated activities are responsible for 1% of energy-related greenhouse gas emissions. Making software more carbon and energy-efficient is a valuable part of a broader environmental strategy. Learn how the principles of green software can help decarbonise digital solutions.

All the registered participants will be awarded with a E-Certificate
