

JYOTI NIVAS COLLEGE AUTONOMOUS BENGALURU

DEPARTMENT OF BOTANY ORGANIZES

Go Green - Plantation Drive

On the occasion of 'World Environment Day' the Department of Botany had organized 2nd year Go Green – Plantation drive – 2022 in Jyoti Nivas College campus. The event took place on a Saturday morning at 11.30am on 4th of June 2022 near the college entrance. More than 30 plants of twenty different varieties of were planted by both the staff and students of Jyoti Nivas College.

JYOTI NIVAS COLLEGE AUTONOMOUS, BENGALURU **DEPARTMENT OF BOTANY**

Go Green - Plantation Drive

PRESIDED BY

Principal

Dr. Sr. Lalitha Thomas

DATE: 04TH JUNE 2022

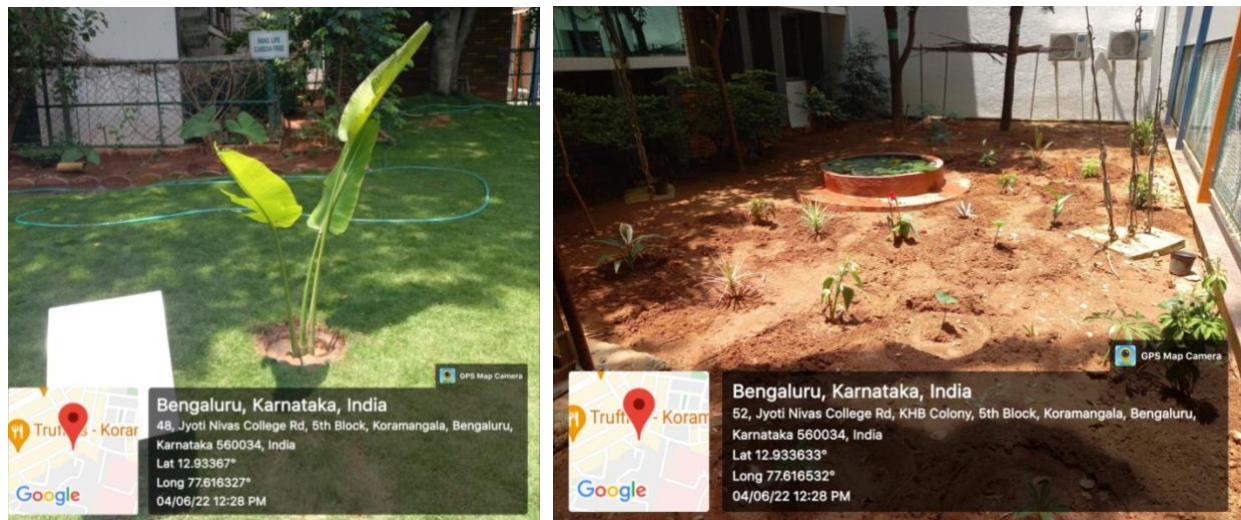

TIME: 11.30AM

VENUE: COLLEGE ENTRANCE

ALL ARE WELCOME

Keeping in mind the aesthetic value and greenery in the campus, the saplings chosen for the plantation drive were all ornamental plants. These plants were specially chosen for shade and most of them were already bloomed with vibrant colored flowers.

Geo tagged photos of the GO GREEN Plantation Drive

Our beloved principal Dr. Sr. Lalitha Thomas initiated the plantation drive by planting TRAVELLERS PALM a perennial ornamental species near the college entrance. This was followed by plantation of MEDINILLA another ornamental flowering species, by Sr. Rosily the Administrator and Animator, JNC. She was accompanied by the vice principals Dr. Lalitha Raman from Commerce and Dr. Sitavi Yethinder from Science stream. The staff and students of JNC also planted nearly 20 saplings near the College Bank. The saplings included trees like; *Carica papaya* (Papaya), *Eugenia caryophyllata* (clove) and *Ravenala madagsacariensis* (Travelers palm). Shrubs like; *Medinilla speciosa*, *Pachystachys*, *Spathophyllum*, *Coleus*, *Dracaena*, *Tradescantia*, *Heliconia*, *Ellettaria cardamomum* and *Cana* were planted. Creepers included; *Thunbergia alata*, *Iopmea*, *Clitoria* and vine creepers.
