ABOUT THE COLLEGE

Jyoti Nivas College is a minority Christian College founded by the Sisters of St. Joseph of Tarbes. It is affiliated to Bengaluru City University.

Since its inception in 1966, Jyoti Nivas College has remained steadfast to one central commitment- to provide a balanced, comprehensive education in Arts, Science and Commerce, aimed at turning out intellectually enlightened, morally upright, spiritually oriented and socially committed young persons.

In recognition of its merit and achievements, Jyoti Nivas was conferred with the title of College of Excellence by UGC in 2014.

ABOUT THE DEPARTMENT

Department of computer science started in the year 1991. Department offers BCA and B.Sc. programmes, to bridge the gap between IT industries and institutes by incorporating the latest developments into the curriculum. During the tenure, the students gain intensive classroom and practical training, facilitating them to become IT experts.

WORKSHOP THEME

The main objective of this workshop is to introduce data science, one of the emerging technologies to the participants using Python programming language.

The workshop aims at providing hands-on experience to the participants in the field of data science. The workshop uncovers fundamentals of data science and its applications, career perspectives and case studies related to data science in various fields.
