FOUNDATION FOR ACADEMIC EXCELLENCE AND ACCESS PROFILE

Foundation for Academic Excellence and Access (FAEA) is a Non-Governmental Organization (NGO) committed to the idea of education, devoted to the founding of a just, productive and cultured society. Its emphasis is on equality of opportunity to help students who come from socially and economically disadvantaged groups. And to provide access to those institutions which profess academic excellence, structures of power and economic opportunity.

FAEA offers scholarships (sponsored by Ford Foundation) every year to bright students from socially and economically marginalized groups to enable them to pursue higher education in the institution of their choice any where in the country.

Jyoti Nivas College being an institution founded on the premises of achieving strong educational, social and moral goals to empower its students in the educational and socio-economics spheres, shares with FAEA the aspiration to create a society in which every individual with potential is recognized and is prepared to meet the challenges.

Jyoti Nivas College is proud to be associated with FAEA for the empowerment of scholars and has been identified as a nodal center for Karnataka and Andhra Pradesh. As a cluster coordinate college, Jyoti Nivas with FAEA conducts a wide range of activities and skill facilitation programs aiming at the development of potentiality of scholars, wherein students from Karnataka and Andhra Pradesh participate and benefit from the South Regional residential skill-facilitation programs conducted by FAEA.

FAEA ANTHEM

We a sing a song of a Foundation
an Institution called FAEA
A name that stands for motivation
and ideals to thrill, oh yeah!

Come o Ram, come o Rahim,
Come o Mary and you too Singh.
Let us together realize a dream
Build a nation on the wing.

Come be a scholar
ever ignite a spark;

to make you a destroyer,
a destroyer of the dark.

Lead thou kindly light-
Surely that is Education!
We will increase our might
For, with us is innovation.

We'll all fly high
and ever high we'll soar
As we reach out for the sky
And not once for the floor.

We now take a firm stand
Of fate we're not a pawn!
We take into our own hand
to usher in a new Dawn!

FAEA SCHOLAR'S PLEDGE

I believe in God the author of life, source of knowledge and Wisdom, who has made life full of opportunities. On this day, I pledge myself to give as much, as I have received much, I cultivate in me the joy of living and loving, the art of sharing and learning. I believe in a great future within me, and I strive to develop the talents and potential for the progress of the nation and the well being of my society. I make a fresh beginning each day to a better, prosperous, professional promise of tomorrow. I have a vision, a mission, a dream to fulfill. To my home and family, I will give my love and service, putting always others before self. In my neighborhood, I will be concerned about health, hygiene, justice for the poor and the improvement of civic conditions. In my country I will be a responsible citizen, supporting the programmes for the development and speaking out boldly against wrong. In my profession, I will be conscientious, diligent and enterprising. Sarva Jeeva Sukhino Shanthi Bhavanthu, is my prayer.
