

## **International Conference 12-14<sup>th</sup> August 2008**

### **Glimpses of Appreciation from “The Times of India”**

Jyoti Nivas College under the guidance of Sr.Philomena,principal,Sr.Elizabeth C S,hosted an International Conference on Emerging Trends in Higher Education,A Global Perspective:Concerns and Challenges in Environmental Sustainability,Entrepreneurship and Cinema (ICEEC)recently.

The conference dealt with topics such as environmental sustainability,social entrepreneurship and cinema.

The conference get together experts in higher education,scholars,researchers and representatives of interested organizations and foundations with 800 participants from over 20 countries.

The Deakin University of Australia and Banglore University were the other collaborators of the conference.

The conference called for the integration of knowledge,values and skills needed for a sustainable way of life to be integrated into formal education and lifelong learning.

The discussions focussed on combating many of the country’s most pressing energy and environmental changes..

Day two sessions demonstrated the institutions commitment to entrepreneurial activity as a basis for improving productivity and competitiveness.

The sessions also recognized the vital role played by higher education institutions in nurturing the next generation of entrepreneurs.

The focus of day three was on cinema.The relevance and significance of it was discussed and debated by eminent speakers from the field.

The conference proved a powerful convergence of ideas and issues embracing the mission of Jyoti Nivas College with a common denominator commitment to society,commitment to the cause of making this world a better place to live in.
