

3rd International Conference on Women

The **3rd International Conference on Women**, Women 2024 will be hosted by iConferences, Sri Lanka with the collaboration of the Jyoti Nivas College, Bangalore, India and Gujarat University, Ahmedabad, Gujarat, India to assist these efforts, promising a memorable experience for all the participants.

The Women 2024 will be held as a hybrid conference at **Bangalore, India** on **23rd - 24th August 2024**. Women 2024 is primed to put a spotlight on all Women and address the status quo with respect to the empowerment of the women community. It intends to initiate consequential discussions on gender equality issues, women's engagement in different disciplines, future challenges, and opportunities.

The conference will be chaired by Prof. Gyanmudra (Former Professor & chairperson, Tata Institute of Social Sciences, Hyderabad Campus, India) and Prof. Anita Singh (Department of English, Faculty of Arts, Banaras Hindu University, India)

The conference will consist of meaningful discussions based on the theme “**Rethinking Gender and Gender Equality in Advancing Sustainable Developments**”.
