

MBA Trip Report

Date: 04-10-2025 night to 07-10-2025 morning

Place: Dandeli

Number of Students: 19

The MBA Department organized a two-day adventure trip to Dandeli, Karnataka, in collaboration with Tripper Trails. The trip was coordinated and accompanied by 2 female guides and 2 faculty members (Dr. Philcy and Mr. Vincent) who ensured that the journey was both enjoyable and well-managed. The primary objective of the trip was to provide students with a refreshing break from academics while promoting teamwork, leadership, and experiential learning through adventure-based activities.

We reached Dandeli by afternoon and soon proceeded to the Kali River, where we took part in exciting adventure activities such as river rafting and kayaking. The experience was truly thrilling and filled with fun and teamwork. After completing the water activities, we headed to our accommodation at Parampara Resort. Upon arrival, we relaxed and enjoyed the pleasant atmosphere of the resort. In the evening, we had a delicious dinner followed by a campfire. We also spent some enjoyable time at the swimming pool before retiring to our allotted rooms for the night's rest.

On the second day, we woke up early in the morning and proceeded directly for a forest trekking activity, which covered approximately two kilometers. The trek took us deep into the forest, where we explored the natural surroundings and experienced the beauty and calmness of nature. After completing the trek, we returned to Parampara Resort, had a hearty breakfast, and checked out from our rooms at around 11:00 a.m. We then visited the Eco Club, where we enjoyed spending time amidst nature and played in the refreshing waters of the Kali River. Following this, we had lunch and later visited Synteri Rock, where we explored the scenic spot and captured some memorable moments. In the evening, we boarded our bus at 6:00 p.m., had dinner on the way, and finally reached back to our destination the next morning between 10:00am and 11:00am.
