The M.Com batch organized an educational and recreational trip to Pondicherry to explore its culture, heritage, and serene environment. The trip was for 2 nights and 3 days, with a total of 20 students and 2 faculty members (Ms. Anila D S & Dr. Tamilarasu) participating. We began our journey from Bangalore on the night of 20th August by bus and reached Pondicherry on the morning of 21st August.

During our stay, we visited popular tourist attractions including Mahabalipuram, Aurobindo Ashram, Auroville, Rock Beach, Paradise Beach, the French Colony, and the Pondicherry Museum. The students enjoyed exploring the city's French architecture, beaches, and cafes while also learning about its historical and economic importance. The trip provided an excellent opportunity for students to relax, bond, and learn beyond the classroom.

We started our return journey from Pondicherry on the night of 23rd August and reached Bangalore on the morning of 24th August. The return trip was filled with fun, laughter, and memorable moments shared among friends and faculty.

Overall, the Pondicherry trip was a wonderful experience that strengthened the bond between students and teachers. It was a perfect blend of fun, learning, and exposure to a new environment, leaving us with beautiful memories to cherish forever.
