

Nipun testing camp

Date: 19th to 23rd August 2025

Place: Doddaballapur Annie Besant Scout and Guide Training Camping Centre

Objective:

It aims to evaluate the capabilities of Rangers and Rovers across various domains. It offers a stage for participants to express their creativity and demonstrate unique talents. Assessment methods include written exams, hands-on practical and oral test. The goal is to identify strengths and areas for growth in each individual.

Introduction:

The camp commenced with a warm welcome, and students were organized into patrols to foster teamwork and collaboration. Nearly 40 Rovers and Rangers took part in the program, which began each day with BP6 exercises, a morning warm-up, and flag hoisting. Over the first three days, participants engaged in a various sessions covering essential Rangering and Rovering topics such as history, laws, and the Scout Promise. They also learned practical skills including pioneering, gadget making, mapping, estimating, compass navigation, and first aid. Each evening concluded with a lively campfire where Scouts, Guides, Rovers, and Rangers showcased their talents through performances, strengthening camaraderie and spirit. The final two days were dedicated to written and practical assessments designed to evaluate the participants understanding and abilities. On the last day, the camp ended with the All Faith Prayer, followed by the distribution of certificates to those who successfully completed the Nipun program. This enriching experience not only imparted valuable knowledge and skills but also encouraged personal development, teamwork, and leadership among all attendees.

Outcome:

Participants developed valuable skills in pioneering, gadget making, and map reading. Campfire events showcased their creativity, teamwork, and individual talents. Written and practical tests confirmed strong understanding. Overall, the program fostered confidence, competence and leadership among Rangers and Rovers.
